

A man with short dark hair is sitting in a hospital bed, smiling broadly. He is wearing a light blue t-shirt with 'JUNES JACK' printed on it. A blood pressure cuff is on his left arm. In the background, there is a medical monitor displaying a graph, an IV drip stand with a bag, and a purple wall.

**If you've recovered
from COVID-19
the NHS needs your
help to fight back**

**Your donated plasma can be used to treat
patients with the virus.**
